**Resident of the month  
Shirley Jackson**

Shirley Jackson was born on November 28<sup>th</sup>. Her birthplace is Louisville, Kentucky. She grew up there and graduated high school in 1952. After her graduation she became an airline hostess. Later she moved to Kansas City, Missouri to receive some schooling for her job and when that was completed she moved to California to continue her work. After working in that field for a while she moved back to Louisville and worked for Ford Motor Company.

In 1957 she married her long-time boyfriend, Gordon R. Jackson and they had their first child in 1960. Her husband was in the military and later that year they were sent to Berlin where they lived from 1960-1963. While they were there they had their second child.

They then moved back to Kentucky and lived at Fort Knox. Shirley was a stay at home mom. Her husband was attending schools and being trained so he moved around a lot, but Shirley stayed in Louisville.

When Gordon was sent to Vietnam for the second time, Shirley stayed in Redcliff, Kentucky and while she lived there she served at a local hospital as a volunteer receptionist for one year until her husband returned home.

Gordon was also stationed at Fort Weatherford, Kansas for about a year until he was sent here to Fort Sill. They bought a house here in Lawton and finished raising their children. At that time Shirley worked in the real estate business for about a year.

In January of 1996 her husband passed away due to cancer and because of her military benefits she was able to stay at home. She enjoyed travelling to Kentucky and Texas to visit her family. In November of 2015 Shirley suffered a stroke and at that time her family took care of her. She was under their care until her daughter came to visit The Brentwood and chose us as the place she wanted her mom to move to. Her daughter chose The Brentwood because of all the activities that are offered here.

Shirley moved into The Brentwood in September of 2017. We are so glad she's a part of our family here.
