**Resident of the Month**  
**Eva Lee Kriss**

Eva Lee Kriss was born on April the 4<sup>th</sup> in St. Joe, TX. She lived there until she was three months old and her family then moved to Chattanooga, OK because her father had gotten a job working on a farm in that area. She went to school there in Chattanooga until the 4<sup>th</sup> grade and then her family moved to a place right outside of Lawton. In 1951 she met her future husband, Charles. They were married a week before she graduated from high school. She was in the first class that graduated from the new Lawton High School.

Charlie was in the Air Force and was getting stationed at Sheppard Air Force Base so they moved to Wichita Falls, TX. They lived there for about a year and then they had their first child. When the baby was about six weeks old she joined her husband in Lubbock, TX where he had been stationed at Reese Air Force Base.

While living in Lubbock, Eva Lee worked as a waitress and cared for her daughter. Two years and five days later she had another daughter and that's when she decided to be a stay at home mom. After three years of living in Lubbock they moved to Greenville, MI.

While living in Greenville, they had a son. They lived there for over a year and then moved to Denver, CO being stationed at Lowry Air Force Base.

**Employee of the Month**  
**Shirley Morgan**

She has been cooking for 20 years and she enjoys her job. She has been at The Brentwood for 2 years. She particularly likes working with the residents and likes her co-workers.

Shirley is always dependable and a hard worker. She is a great cook. She also does what she can to make sure the residents are happy in the dining room. We are glad Shirley is a part of our Brentwood Family. Please Stop by the dining room and thank Shirley for all she does.

We would like to congratulate our June Employee of the month Shirley Morgan. Shirley was born on May 26<sup>th</sup> in North Carolina. She has 2 sons and a grandson. When Shirley isn't at work, she likes to go shopping. She has also went to school to obtain a degree in childcare.

While in Denver their youngest daughter was born. Not long after that Eva Lee got a job at the base nursery where she was able to take her children to work with her.

After Charlie had served eight years in the Air Force, they moved their family to Cache, OK and she worked at the local grocery store that she and Charlie had purchased. Five years later they sold the store and she went to work at the Fort Sill Commissary. She worked there for 19 years and then retired. While her husband was teaching school and after her retirement, Eva Lee and Charlie enjoyed travelling. They drove their motorhome to Alaska, they visited Hawaii, Washington D.C., and traveled a lot to the western side of the United States. Much of their travelling was to visit their 8 grandchildren, 18 great grandchildren, and 1 great great grandson.

Finally, they sold their motorhome and started taking bus tours with our local Center for Creative Living. They enjoyed those trips for 4 years until recently she was on a trip and fell and fractured her hip. That's what brought Eva Lee and Charlie to The Brentwood. They joined our
