Bob Laffery 9/12

Iris Chancellor 9/16

Mary Wright 9/16

Emma Bomar 9/18

David Hillard 9/21

Fern York 9/28

She has worked at The Brentwood for about three and a half months. Her favorite thing about working here is seeing the residents faces everyday and helping them make their life easier.

Cali is an energetic worker who always has a smile on her face. She is also always willing to help out. No job is too tough for her. She has become a good asset to The Brentwood Team! When Cali isn't at work she enjoys hanging out with her friends, reading, and talking to family.

Please stop by and thank Cali for all she does!

Resident of the Month
Otha Elkins

Otha Elkins was born on May 25th, Southeast of Lawton. She went to school and lived on a farm near Geronimo with her parents and 6 siblings until she graduated from Geronimo High School. She was class Valedictorian in her elementary and high school class.

After Otha finished high school she married to Gene Elkins. They moved to Lawton.

They had 3 children, two boys and one girl who Otha is very proud of. When her children were all in school, she decided to go back to work and she got a job as a Church Secretary at Lawton Heights United Methodist Church. She worked there for 25 years.

As their children were living in Texas, they enjoyed traveling, fishing, and visiting their children.

In 2012 they sold their home and moved to The Brentwood Senior Living. They had many great times as a couple, then Gene passed away after being married for 62 years.

Being alone Otha got involved in The Brentwood's Activities Program doing exercise, games and playing cards.

As she walks the halls each day, she sees each resident and prays for them every day. With the best staff anywhere, it is easy to say "this is my home."

Otha forgot one important thing she has 5 grandchildren who are very special to her.
